BALLGOWN

PG 3 - 9

A ballgown wedding dress features a fitted bodice and a full, voluminous skirt, creating a dramatic and elegant silhouette. Often made with luxurious fabrics like satin, tulle, or organza, this classic style is perfect for brides who want a fairytale-inspired look.

02

2-IN-1

PG 10 - 14

A 2-in-1 wedding dress offers versatility by featuring a detachable element, such as a skirt, train, or sleeves, allowing brides to transform their look effortlessly. This design provides the elegance of a traditional gown for the ceremony and a more relaxed or modern style for the reception.

03

A-LINE

PG 15 - 16

An A-line wedding dress features a fitted bodice that gradually flares out from the waist, creating a silhouette that resembles the letter "A." This timeless and flattering style suits various body types and offers a perfect balance between elegance and comfort.

04

MERMAID

PG 17 - 18

A mermaid wedding dress is a figure-hugging gown that contours the body from the bodice to the knees before dramatically flaring out. This style accentuates curves and creates a sophisticated, glamorous look.

05

TRUMPET

PG 19 - 20

A trumpet wedding dress is a glamorous and figure-flattering gown that hugs the body through the bodice, waist, and hips before flaring out around mid-thigh. This silhouette is often confused with the mermaid style but has a more gradual flare, creating a softer and more balanced transition from fitted to voluminous.
